

Rebuttal to Argument in Favor of Measure CC

So we voters are not qualified to elect the Belmont City Clerk? Why not? We choose the City Council, don't we? Maybe Belmont should just have an emperor to appoint everybody and avoid all those bothersome elections.

The voters have reelected the same Clerk and Treasurer for nearly 15 years. Are they not qualified? The current system is working. Why change it?

Minor officials are part of the checks and balances of democracy. Somebody has to watch the people with the most power and be sure they answer to the voters.

Don't vote to give up your right to vote for City Clerk.
